NATIONSTAR ANNOUNCES \$150 MILLION SHARE REPURCHASE PROGRAM

Dallas, TX (December 16, 2015) - Nationstar Mortgage Holdings Inc. (NYSE: NSM) ("Nationstar") announced today that its Board of Directors has approved the repurchase of up to \$150 million of the company's common stock through December 16, 2016.

"We are pleased that Nationstar's strong balance sheet and cash flow enable us to return value to shareholders through share repurchases, while continuing to invest in internal and external opportunities that will drive long-term growth," said Jay Bray, President and Chief Executive Officer. "The Board of Directors and senior management team believe that the company's shares are an attractive investment opportunity and repurchasing stock is a part of our disciplined approach to capital allocation."

The repurchase program allows the company to repurchase its common stock using open market stock purchases or privately negotiated transactions. The number of shares repurchased and the timing of repurchases will depend on a number of factors, including, but not limited to, share price, trading volume and general market conditions, along with working capital requirements, general business conditions and other factors. The stock repurchase program may be suspended, modified or discontinued at any time at Nationstar's discretion. The company intends to finance the share repurchase program through cash on hand.

The company had approximately 109.8 million shares of common stock outstanding as of September 30, 2015.
