2017 PROXY STATEMENT

This proxy statement and the accompanying materials are being made available to Nationstar Mortgage Holdings Inc. stockholders beginning on or about April 11, 2017. In this proxy statement, “Nationstar,” “Company,” “we,” “us” or “our” refers to Nationstar Mortgage Holdings Inc. or to it and one or more of its subsidiaries. This proxy statement contains information on the matters to be presented at the Company’s 2017 Annual Meeting of Stockholders to be held on May 11, 2017 to assist you in voting your shares.

GENERAL INFORMATION ABOUT THE ANNUAL MEETING AND VOTING

What is the purpose of this proxy statement?

The purpose of this proxy statement is to provide information regarding matters to be voted on at our 2017 Annual Meeting of Stockholders. Additionally, it contains certain information that the Securities and Exchange Commission (“SEC”) and the New York Stock Exchange (“NYSE”) require us to provide to our stockholders. This proxy statement is also the document used by our Board of Directors (“Board”) to solicit proxies to be used at the annual meeting. Nationstar pays the costs of these soliciting proxies. Proxies are solicited to give all stockholders of record an opportunity to vote on the matters to be presented at the annual meeting, even if they cannot attend the annual meeting.

When and where will the 2017 Annual Meeting of Stockholders be held?

The annual meeting will be held on May 11, 2017 at the Dallas/Fort Worth Airport Marriott, 8440 Freeport Parkway, Irving, Texas 75063 at 9:00 a.m., local time.

What will be voted on?

You will be voting on the following:

- Proposal 1: Election of two Class II directors, Robert H. Gidel and Brett Hawkins, to the Board;
- Proposal 2: Ratification of the appointment of Ernst & Young LLP as Nationstar’s independent registered public accounting firm for the year ending December 31, 2017; and
- Proposal 3: An advisory vote on executive compensation.

We also will consider any other business that may properly come before the annual meeting.

Who may vote at the annual meeting?

All stockholders who owned Nationstar common stock at the close of business on the record date of March 15, 2017, may attend and vote at the annual meeting.

How do I vote?

You can vote either in person at the annual meeting or by proxy whether or not you attend the annual meeting. To vote by proxy you must properly complete and return the enclosed proxy card in a timely manner. If you vote by proxy, your shares will be voted as you indicate on the card. If you sign your proxy card but do not specify how you want your shares voted, they will be voted as the Board recommends.

Can I change my vote after I execute my proxy card?

You may revoke your proxy card at any time prior to the annual meeting either (1) by sending in a new proxy card with a later date or sending a written notice of revocation to Nationstar Mortgage Holdings Inc., 8950 Cypress Waters Boulevard, Coppell, Texas 75019, Attention: Corporate Secretary or (2) by attending the annual meeting, voting in person and requesting that your previously submitted proxy card not be used.

How many votes do I have?

You will have one vote for each share of Nationstar common stock which you owned at the close of business on March 15, 2017, the record date for the annual meeting.

How many shares of common stock are eligible to vote at the annual meeting?

At the close of business on March 15, 2017, the record date of the annual meeting, there was a total of 97,767,730 shares of Nationstar common stock outstanding and eligible to vote at the annual meeting.

How many shares must be present to hold the annual meeting?

A majority of the shares of Nationstar common stock outstanding as of the record date must be present at the annual meeting in order to hold the annual meeting and conduct business. This is called a quorum. Shares are counted as present at the annual meeting if stockholders are present in person or a proxy card has been properly submitted by or on behalf of stockholders. Votes to abstain, referred to as “abstentions,” and broker non-votes are counted for purposes of determining the presence of a quorum.

What if I hold my shares in a brokerage account?

If you hold your shares in a brokerage account, the shares are said to be held in “street name.” In this case your broker will send you a package, including a voter instruction card which will ask you how you want your shares to be voted. If you give your broker instructions, the broker will vote your shares as you direct. If you do not give your broker instructions (these shares are often referred to as broker non-votes) and the proposal involves a “routine” matter, then NYSE rules provide brokers with discretionary power to vote your shares. However, if a proposal involves a “non-routine” matter, then brokers are not permitted to vote your shares without instructions from you.

If you do not instruct your broker as to how to vote these shares on Proposal 1 (the election of directors) or Proposal 3 (the approval of the resolution regarding executive compensation), the broker may not exercise discretion to vote for or against those “non-routine” proposals. With respect to Proposal 2 (ratification of the appointment of Ernst & Young LLP as our independent registered public accounting firm for the year ending December 31, 2017), your broker may exercise its discretion to vote for or against this proposal in the absence of your instruction. Please instruct your broker so your vote can be counted.

How many votes are required to elect directors and adopt other proposals?

Proposal 1. Directors are elected by a plurality of the votes present in person or by proxy entitled to vote, which means that the two nominees who receive the highest number of votes will be elected as directors.

Proposal 2. Ratification of Ernst & Young LLP as Nationstar’s independent registered public accounting firm requires the affirmative vote of a majority of Nationstar common stock present in person or by proxy that are entitled to vote on this item.

Proposal 3. Approval of the advisory vote on executive compensation requires the affirmative vote of a majority of Nationstar common stock present in person or by proxy that are entitled to vote on this item.

How do I attend the annual meeting?

Admission to the annual meeting is limited to Nationstar stockholders or their proxy holders. In order to be admitted to the annual meeting, each stockholder will be asked to present proof of stock ownership and valid government-issued photo identification, such as a driver’s license. Proof of stock ownership may consist of the proxy card or if shares are held in the name of a broker, bank or other nominee, an account statement or letter from the nominee indicating that you beneficially owned shares of Nationstar common stock at the close of business on March 15, 2017, the record date for the annual meeting.

- Board Leadership
- Size of the Board

- Other public company directorships
- Independence of directors
- Ethics and code of conduct
- Conflicts of interest
- Director’s change of job responsibility

Board Leadership Structure

We have a strong and active Board composed primarily of independent directors who understand our business and who work closely with our Chief Executive Officer and other senior management. Upon the retirement of Wesley Edens as Chairman of the Board in July 2016, the Board elected Jay Bray, our President & Chief Executive Officer, as Chairman of the Board. Additionally, in February 2017, the Board appointed Roy Guthrie to serve as our independent lead director. The lead director has broad responsibility and authority, including to:

- serve as chair during executive sessions of the Board;
- call meetings of the independent directors when necessary;
- preside at meetings of the Board when the chairman is not present;
- act as liaison between the Chief Executive Officer and the Board; and
- manage intra-board relationships.

In general, our lead director serves as the liaison between our Chairman and our independent directors. He is available to consult with our Chairman about the concerns of the Board and is available to consult with senior management regarding their concerns. Having a lead director fosters a Board culture of open discussion and deliberation, with a thoughtful evaluation of risk, to support sound decision-making. It encourages communication among the directors, and between management and the Board, to facilitate productive working relationships. Working with our Chairman and other Board members, our lead director also ensures there is an appropriate balance and focus among key Board responsibilities such as strategy development, review of operations, risk oversight and management succession planning.

Our Board has determined that this current structure, with combined Chairman and Chief Executive Officer role and an independent lead director, is in the best interests of the Company and its stockholders. The Board believes the combined role of Chairman of the Board and Chief Executive Officer promotes unified leadership and execution of our strategic plan, facilitates information flow between management and the Board and enables Nationstar to benefit from Mr. Bray's significant institutional and industry knowledge and experience. This combined role is both supplemented and enhanced by the effective oversight and independence of our Board and the leadership provided by our lead director.

Board's Role in Risk Oversight

Our risk management is overseen by Mihir Patel, Executive Vice President & Chief Risk Officer. In this capacity, Mr. Patel is responsible for identifying and prioritizing material risks and discussing them with management and the Board. A summary of Mr. Patel's professional experience and qualifications is available on our website. Additionally, we have established an enterprise risk committee at the management level, co-chaired by our Chief Executive Officer and Mr. Patel, to oversee the management of identifying and monitoring of certain risks of the Company.

While management is responsible for day-to-day risk management of our operations, the Board is responsible for overseeing enterprise-wide risks. The Board uses its standing committees (more fully discussed below) to monitor and address matters that may be within the scope of each committee's expertise or charter. For example, the Audit & Risk Committee oversees the financial statements, accounting and auditing functions, risk management and compliance; the Compensation Committee oversees our compensation programs; and the Nominating Corporate Governance ("NCG") Committee oversees director qualifications, Board structure and corporate governance matters. In addition to receiving information from its committees, the Board also receives updates directly from members of management. In this regard, Mr. Bray, due to his position as both Chairman of the Board and Chief Executive Officer of the Company, is particularly important in communicating with other members of management and keeping the Board updated on the important aspects of our operations. Additionally, our Board receives updates from our lead director who is also the chairman of the Audit & Risk Committee. Further, the Audit & Risk Committee has engaged certain third-party consultants to review and assess our compliance and risk management structure, programs and practices, including our enterprise-wide compliance risk management system.

Independent Directors

We recognize the importance of having an independent Board that is accountable to Nationstar and its stockholders. Accordingly, our Corporate Governance Guidelines provide that a majority of our directors shall be independent in accordance with the NYSE listing standards.

Board, Committee and Annual Meeting Attendance

The Board held 18 meetings during 2016. Each incumbent director attended at least 75% of the total number of meetings of the Board and committees held during the period he served. Directors are invited and encouraged but are not required to attend our annual meeting of stockholders. In 2016, five out of six, including all of our incumbent directors, attended our annual meeting of stockholders.

Presiding Non-Management Director and Executive Sessions

Our non-management and independent directors meet in executive session without management at least once a year. In 2016, no presiding non-management director was selected but a presiding director was appointed to preside at each executive session on an *ad hoc* basis. In 2017, our lead director presides at each executive session.

Communications with the Board

Any Nationstar stockholder or other interested party who wishes to communicate with the Board or any of its members, including our lead director, may do so by writing to: Board of Directors (or one or more named directors) c/o Nationstar Mortgage

Holdings Inc., 8950 Cypress Waters Boulevard, Coppell, Texas 75019, Attention: Corporate Secretary. Relevant communications will be distributed to the Board, or to any individual director or directors as appropriate, depending on the facts and circumstances outlined in the communication. Communications that are unrelated to the duties and responsibilities of the Board will not be forwarded, such as annual report requests, business solicitations, advertisements and job inquiries. Any communication that is screened as described above will be made available to any director upon his or her request.

Communications with the Audit & Risk Committee

Complaints and concerns relating to our accounting, financial reporting, internal accounting controls or auditing matters (together, “Accounting Matters”) should be communicated to the Audit & Risk Committee of the Board. Any such communications may be made on an anonymous basis. Employee concerns or complaints may be reported to the Audit & Risk Committee through a third-party vendor, The Network, Inc., which has been retained by the Audit & Risk Committee for this purpose. The Network, Inc. may be contacted toll-free at (866) 919-3222 or via The Network, Inc.’s website at <https://www.reportlineweb.com/welcome.aspx?Client=Nationstar>. Outside parties, including stockholders, may bring issues regarding Accounting Matters to the attention of the Audit & Risk Committee by writing to: Audit & Risk Committee c/o Executive Vice President & General Counsel, Nationstar Mortgage Holdings Inc., 8950 Cypress Waters Boulevard, Coppell, Texas 75019.

All complaints and concerns will be reviewed under the direction of the Audit & Risk Committee and oversight by the general counsel and other appropriate persons as determined by the Audit & Risk Committee. The general counsel reports to the Audit & Risk Committee on such communications.

Criteria and Procedures for Selection of Director Nominees

Although the Board retains ultimate responsibility for nominating members for election to the Board, the NCG Committee of the Board conducts the initial screening and evaluation process. As provided in the Company’s Corporate Governance Guidelines, director nominees, including those directors eligible to stand for re-election, are selected based upon, among other things, the following factors:

- requirements of applicable laws and NYSE listing standards;
- strength of character;
- judgment;
- business experience and areas of expertise;
- composition of the Board;
- principles of diversity;
- time availability and dedication; and
- conflicts of interest.

In conducting the screening and evaluation of potential director nominees, the NCG Committee considers candidates recommended by directors and our management, as well as recommendations from our stockholders. To recommend a candidate for election to the Board, a stockholder must submit the information required by our Bylaws, including, among other things, the following information, to Nationstar Mortgage Holdings Inc., 8950 Cypress Waters Boulevard, Coppell, Texas 75019, Attention: Corporate Secretary, generally not less than 90 days nor more than 120 days in advance of the anniversary date of the immediately preceding annual meeting of stockholders:

- The stockholder’s name, address and the class, series and number of shares that he or she owns;
- Representation that the stockholder is a holder of record as of the record date and intends to appear in person or by proxy at the annual meeting;
- The name, address and other required information of the stockholder’s nominee for director;
- A description of any arrangement or understanding between the stockholder and the director nominee or any other person (naming such person(s)) in connection with the making of such nomination to the Board; and
- The nominee’s consent to being named in the proxy statement as a nominee and to serving on the Board.

In considering candidates recommended by stockholders, the NCG Committee will take into consideration the needs of the Board and the qualifications of the candidate. While a stockholder may submit a director nominee pursuant to these criteria and procedures, the nomination would remain subject to the rights of FIF HE Holdings LLC (the “Initial Stockholder”) as discussed below under the caption “Certain Relationships and Related-Party Transactions—Stockholders Agreement.”

BOARD OF DIRECTORS

Our Amended and Restated Certificate of Incorporation provides that the Board shall consist of not less than three and not more than 11 directors, as may be determined from time to time by the entire Board. In July 2016, Jay Bray, our President & Chief Executive Officer, assumed the role of Chairman of the Board upon Wesley Edens' retirement. As of the date of this proxy statement, the Board consists of five members, four of whom are non-employee directors.

The Board is also divided into three classes that are, as nearly as possible, of equal size. Each class of directors is elected for a three-year term of office, but the terms are staggered so that the term of only one class of directors expires at each annual meeting of stockholders. Our current Board is classified as follows:

<u>Class</u>	<u>Term Expiration</u>	<u>Director</u>
Class I	2019	Roy A. Guthrie Michael D. Malone
Class II	2017	Robert H. Gidel Brett Hawkins
Class III	2018	Jay Bray

The Board has also determined that each of Messrs. Gidel, Guthrie, Hawkins and Malone satisfies our independence standards and further that each of them is independent of us and our management within the meaning of the NYSE's listing standards.

The Amended and Restated Certificate of Incorporation does not provide for cumulative voting in the election of directors, and they are elected by a plurality of the votes present in person or by proxy entitled to vote.

Committees of the Board

The Board has three principal standing committees. Committee members consist entirely of non-employee directors, and the Board has determined that each member of these committees is "independent," as defined under the NYSE's listing standards.

Audit & Risk Committee

The Audit & Risk Committee's responsibilities and purposes are to: (1) assist the Board in its oversight of: (a) the accounting and financial reporting process and integrity of our financial statements; (b) our compliance with legal and regulatory requirements; (c) the annual independent audit of our financial statements, the engagement of the independent registered public accounting firm and the evaluation of the independent registered public accounting firm's qualifications, independence and performance; (d) the performance of our internal audit function; and (e) risk management and compliance; (2) determine whether to recommend to the stockholders the appointment, retention or termination of our independent registered public accounting firm; (3) pre-approve all audit, audit-related and other services, if any, to be provided by the independent registered public accounting firm; and (4) prepare the Report of the Audit & Risk Committee as required by the rules of the SEC. The Audit & Risk Committee also participates in the certification process relating to the filing of certain periodic reports pursuant to the Securities Exchange Act of 1934, as amended (the "Exchange Act"). A copy of the Audit & Risk Committee's Charter is available on our website.

The members of the Audit & Risk Committee are Messrs. Guthrie (chairman), Gidel, and Malone. The Board has determined that (1) each is "independent"; (2) each is "financially literate" and (3) Mr. Guthrie is an "audit committee financial expert," as these terms are defined by the Exchange Act and the NYSE. The Audit & Risk Committee met ten times in 2016.

Nominating and Corporate Governance Committee

The NCG Committee's responsibilities and purposes are to: (1) identify and recommend to the Board individuals qualified to serve as directors of the Company and on committees of the Board; (2) advise the Board as to the Board composition, procedures and committees; (3) develop and recommend to the Board a set of corporate governance guidelines and maintain and update such guidelines, as appropriate; (4) review, approve or ratify related-party transactions and other matters that may pose conflicts of interest and (5) oversee the evaluation of the Board and the Company's management. A copy of the NCG Committee Charter is available on our website. For more information about the process for identifying and evaluating nominees for director, see the "Corporate Governance – Criteria and Procedures for Selection of Director Nominees" section above.

The members of the NCG Committee are Messrs. Malone (chairman), Gidel and Hawkins. Each member of our NCG Committee is independent, as defined under the rules of the NYSE. The NCG Committee met six times in 2016.

Compensation Committee

The Compensation Committee's responsibilities and purposes are to: (1) oversee our compensation and employee benefit plans and practices, including our executive compensation plans, and incentive compensation and equity compensation plans; (2) review and discuss with management our compensation discussion and analysis to be included in our annual proxy statement and annual report filed with the SEC; (3) develop a succession plan for our executive officers and (4) prepare the Compensation Committee Report as required by the rules of the SEC. A copy of the Compensation Committee Charter is available on our website. For additional information regarding the Compensation Committee's processes and procedures for consideration of director compensation and executive compensation see "Director Compensation" and "Compensation Discussion and Analysis," respectively.

The Compensation Committee has the authority, in its sole discretion, to retain and terminate compensation advisors, including approval of the terms and fees of any such arrangement. The Compensation Committee engaged Pearl Meyer to assist the Compensation Committee with its responsibilities related to our executive and Board compensation programs for 2016. Pearl Meyer does not provide other services to Nationstar. Additionally, based on (1) standards promulgated by the SEC and the NYSE to assess compensation advisor independence, which are identified in the Compensation Committee's Charter and (2) the analysis conducted by Pearl Meyer in its independence review, the Compensation Committee concluded that Pearl Meyer is an independent and conflict-free advisor to Nationstar. For more information on the compensation advisor, see "Role of Compensation Advisor" in the Compensation Discussion and Analysis section of this proxy statement.

The Nationstar Mortgage Holdings Inc. Second Amended and Restated 2012 Incentive Compensation Plan (the "Incentive Plan"), discussed below under the caption "Compensation Discussion and Analysis—Long-Term Incentive Awards", permits the Compensation Committee to delegate its authority to grant non-executive employee awards to a subcommittee consisting of one or more members of the Board or employees of Nationstar or its subsidiaries. Pursuant to this authority, the Compensation Committee has delegated to the Incentive Awards Committee, which consists of Jay Bray, our Chairman, President & Chief Executive Officer, the authority to make certain awards to Nationstar employees who are not Nationstar executive officers.

The members of the Compensation Committee are Messrs. Hawkins (chairman), Gidel and Malone. Each member of our Compensation Committee is independent, as defined under the rules of the NYSE. The "independent" directors that are appointed to the Compensation Committee are also "non-employee" directors as defined in Rule 16b-3(b)(3) under the Exchange Act and "outside" directors within the meaning of Section 162(m)(4)(c)(i) of the Internal Revenue Code of 1986, as amended (the "Code"). The Compensation Committee met six times in 2016.

Compensation Committee Interlocks and Insider Participation

There is not, nor was there during 2016, any compensation committee interlock or insider participation on the Compensation Committee.

Director Compensation

In 2016, the Compensation Committee, in consultation with Pearl Meyer, reviewed the fees paid to directors and decided not to increase director fees. Independent director fees are payable in semi-annual installments, based on the following annual fees:

Independent Director	Cash Retainer	Audit & Risk Committee Chair	Compensation Committee Chair	NCG Committee Chair	Audit & Risk Committee Member	Compensation Committee Member	NCG Committee Member
Mr. Gidel	\$125,000	—	—	—	\$35,000	\$25,000	\$20,000
Mr. Guthrie	\$125,000	\$50,000	—	—	\$35,000	—	—
Mr. Hawkins	\$125,000	—	\$35,000	—	—	\$25,000	\$20,000
Mr. Malone	\$125,000	—	—	\$25,000	\$35,000	\$25,000	\$20,000

On May 14, 2015, each of the independent directors was granted restricted stock units with a fair market value of \$330,000 that vest in installments of 33.3%, 33.3% and 33.4% respectively on each of the first three anniversaries of the award. This award is intended to cover equity award grants for 2015, 2016 and 2017. The independent directors have the option to defer the date that some or all vested restricted stock units are converted into shares of common stock and delivered to the director. Beginning in 2017, Mr. Guthrie will receive an annual fee of \$15,000 for his service as lead director.

The following table sets forth certain information regarding the compensation paid in 2016 to our independent directors:

<u>Name</u>	<u>Fees earned or paid in cash (\$) ⁽¹⁾⁽²⁾</u>	<u>Total (\$)</u>
Robert H. Gidel	214,000	214,000
Roy A. Guthrie	222,000	222,000
Brett Hawkins	213,000	213,000
Michael D. Malone	239,000	239,000

(1) Represents fees actually paid in 2016.

(2) In addition to the standard director and committee fees described above, the independent directors received fees related to their service on two special committees of the Board that were formed to consider certain transactions with an affiliate of Fortress. Messrs. Gidel, Guthrie, Hawkins and Malone received a fee of \$1,000 per meeting for their service on the first special committee, and Messrs. Gidel, Hawkins and Malone received a fee of \$1,000 per meeting and Mr. Guthrie received a chairman fee of \$2,000 per meeting for their service on the second special committee.

Fees to independent directors may be made by issuance of Nationstar common stock, based on the value of common stock at the date of grant, rather than in cash, provided that any such issuance does not prevent a director from being independent and the shares are granted pursuant to a stockholder approved plan. The Company may elect to settle the restricted stock units in (1) shares of Nationstar common stock, (2) an amount in cash or (3) a combination thereof. Directors who are also our employees receive no additional compensation for their services on the Board. All members of the Board are reimbursed for reasonable costs and expenses related to attending Board or committee meetings or other meetings with management and for expenses related to director education programs.

PROPOSAL 1

ELECTION OF DIRECTORS

The terms of the Class II directors, consisting of Messrs. Robert H. Gidel and Brett Hawkins, will expire at the 2017 Annual Meeting of Stockholders. Each has been nominated by the Board to serve as a continuing director for a new three-year term expiring at the 2020 Annual Meeting of Stockholders. Each nominee selected will continue in office until his successor has been elected and qualified, or until his earlier death, resignation or retirement.

In determining whether to nominate each of the Class II directors for another term, the Board considered not only the designation of these directors by the Initial Stockholder, but also the factors discussed above under “Corporate Governance – Criteria and Procedures for Selection of Director Nominees” and concluded that each possess those talents, backgrounds, perspectives, attributes and skills that will enable each of them to continue to provide valuable insights to our management and play an important role in helping us achieve our goals and objectives. The age, principal occupation and certain other information for each director nominee and the continuing directors serving unexpired terms are set forth below. It is our general policy that no director having obtained the age of 70 years will stand for re-election.

Directors are elected by a plurality of the votes present in person or by proxy entitled to vote, which means that the two nominees who receive the highest number of votes will be elected as directors. Abstentions and broker non-votes will not have any effect on the election of a director.

The Board believes that each director nominee will be able to stand for election. If you do not wish your shares voted for one or both of the nominees, you may so indicate when you vote.

The Board recommends a vote FOR the election of each of the nominees listed below for director.

PROPOSAL 2

RATIFICATION OF APPOINTMENT OF INDEPENDENT REGISTERED PUBLIC ACCOUNTING FIRM

The Audit & Risk Committee has appointed Ernst & Young LLP as the independent registered public accounting firm to audit our consolidated financial statements for the year ending December 31, 2017. The Board is asking stockholders to ratify this appointment. Although SEC regulations and the NYSE listing requirements require our independent registered public accounting firm to be engaged, retained and supervised by the Audit & Risk Committee, the Board considers the selection of an independent registered public accounting firm to be an important matter to stockholders and a key corporate governance issue. If the appointment of Ernst & Young LLP is not ratified, the matter of the appointment of the independent registered public accounting firm will be re-considered by the Audit & Risk Committee.

It is anticipated that a representative of Ernst & Young LLP will attend the annual meeting, will be available to respond to appropriate questions and will have an opportunity to make a statement.

The Board recommends a vote FOR the ratification of the appointment of Ernst & Young LLP as Nationstar's independent registered public accounting firm.

2016 Performance Overview

Nationstar had strong financial and operating performance during 2016. Our 2016 results are a reflection of our effort to continue to establish Nationstar as a leader in the residential real estate market through the delivery of servicing, origination and transaction-based services. Some notable accomplishments for 2016 include:

Servicing: We boarded over \$161 billion of loans, including \$95 billion of subserviced loans. We launched a new customer-centric website to enhance functionality and upgrade the customer experience and provided over 25,000 solutions for our customers, including modifications and workouts, reflecting our commitment to helping homeowners keep their homes. Underlying improvement in our servicing portfolio drove strong performance which allows us to reduce our default costs significantly as well as reap the benefit of the scalability of servicing performing loans. Additionally, customer complaints were down 33% year over year. From a capital management perspective, subservicing has grown to over 26% of our portfolio and is now a powerful growth engine for our business. Subservicing and portfolio performance is expected to lower our required advances, raise our return on equity and assets and deliver strong improving cash flows, ultimately driving stockholder value.

Originations: Our originations segment posted record earnings and funded over \$20 billion mortgage loans, the highest funded volume in the past three years. During 2016, we made great progress in retaining customers beyond those eligible for HARP, which is why our recapture rate has continued to trend upwards and averaged 29% for the year. We believe we have an inherent advantage in our integrated servicing platform in which significant opportunity still exists.

Xome: Xome was launched out of the belief that the real estate marketplace lags many industries in its effective use of technology and technology-driven services to reduce costs, improve service, eliminate paper-intensive processes and to better leverage the value and potential of its data. Xome expanded third-party revenues to 40%, completed the migration of our auction platform to Xome.com and launched a proprietary workflow technology.

We also repurchased \$114 million shares of our common stock at an average price of \$11.08, or about a 35% discount to year-end 2016 stockholders' equity per share.

Looking forward, we remain focused on our journey of reinventing the mortgage experience by putting customers first, preserving homeownership and enhancing our leadership role in residential servicing while delivering greater value for our stockholders.

Compensation Philosophy and Objectives

Our primary executive compensation objectives are to attract, motivate and retain the most talented and dedicated executives and to align their annual and long-term incentives with Company performance while enhancing stockholder value. To achieve these goals we seek to maintain compensation plans that:

- Align compensation with Company and business unit goals to enhance ownership and accountability;
- Drive the achievement of Company, business unit and individual goals, both short- and long-term;
- Deliver a mix of fixed and at-risk compensation; and
- Deliver competitive pay opportunity, commensurate with performance.

As a result of our pay-for-performance philosophy, more than 92% of our Chief Executive Officer's 2016 compensation is determined based on the achievement of the Company's and individual performance. On average, 81% of our other named executive officer's compensation is also based on the Company's and their individual performance.

Process for Setting Executive Officer Compensation

Role of Compensation Committee. The Compensation Committee administers our compensation plans, programs and policies relating to our named executive officers, including all the plans described below. The Compensation Committee conducts periodic reviews, at least annually, and monitors our overall compensation strategy to ensure that executive compensation supports our business objectives. It also conducts an annual evaluation of the Chief Executive Officer's performance. As part of this compensation setting process, the Compensation Committee, with assistance from its compensation advisor, reviews the compensation (including base salary, annual cash incentives, long-term incentives and other benefits) of similarly-situated executive officers in our comparator group. Additionally, we, in consultation with our Initial Stockholder, make recommendations to the Compensation Committee regarding the compensation of our named executive officers. The Compensation Committee considers these recommendations but makes all compensation decisions related to our executive officers, including the Chief Executive Officer.

Role of Named Executive Officers. Other than the Chief Executive Officer and the Chief Financial Officer, our named executive officers do not, either individually or as a group, play a direct role in determining executive compensation. The Chief Executive Officer advises the Compensation Committee from time to time of his own evaluation of the job performance of the other named executive officers and, together with the Chief Financial Officer, offers for consideration recommendations as to their compensation levels. The Compensation Committee considers these recommendations but makes all compensation decisions related to our executive officers.

Role of Compensation Advisor. The Compensation Committee has the authority under its charter, in its sole discretion, to engage the services of a compensation advisor or other advisors to assist the Compensation Committee in the performance of its duties. The Compensation Committee retained Pearl Meyer to serve as the Compensation Committee's independent compensation advisor on matters related to executive and board of director compensation. The compensation advisor regularly attended Compensation Committee meetings and reported directly to the Compensation Committee on matters relating to the compensation of our executive officers and directors. The Compensation Committee annually reviews and establishes the scope of the engagement of the compensation advisor, which is reflected in an engagement letter between the compensation advisor and the Compensation Committee.

During 2016, the Compensation Committee requested that Pearl Meyer:

- Conduct an analysis of compensation for our executive officers and directors;
- Assess how compensation aligned with our philosophy and objectives;
- Review our comparator group;
- Assist the Compensation Committee in the review of incentive plan design and related benefit programs; and
- Provide the Compensation Committee with ongoing advice and counsel on market compensation and governance trends including their impact on our executive and director compensation programs.

Risk Considerations. In developing and reviewing the executive incentive programs, the Compensation Committee considers the business risks inherent in the design of compensation arrangements to ensure they do not induce executives to take unacceptable levels of business risk for the purpose of increasing their incentive plan awards. The Compensation Committee believes that the mix of compensation components used in the determination of our named executive officers' compensation reflects the performance of the Company and the performance of the individual employee and does not encourage our named executive officers to take unreasonable risks relating to the business. Our named executive officers' ownership interest in the Company aligns their interests with our long-term performance and discourages excessive risk taking. The Compensation Committee does not believe our compensation programs are reasonably likely to have a material adverse effect on the Company.

Consideration of Stockholder Advisory Vote on Compensation. At our 2014 Annual Meeting of Stockholders, our stockholders voted on a non-binding advisory resolution on the compensation of our named executive officers. Approximately 98% of the voting stockholders approved the resolution, excluding abstentions and shares that were not voted. The Compensation Committee viewed the results of the advisory vote as demonstrating broad stockholder support for our current executive compensation program and continued to apply similar policies and objectives in determining compensation for 2016 that it applied in previous years. At the 2017 Annual Meeting of Stockholders, stockholders will have the opportunity to vote to approve, on an advisory basis, the compensation of our named executive officers.

Tax Considerations. Section 162(m) places a limit of \$1,000,000 on the amount of compensation that we may deduct from taxable income in any given year with respect to the Chief Executive Officer and certain other of our most highly compensated executive officers. This deduction limitation, however, does not apply to certain “performance based” compensation. It is the Compensation Committee’s general policy to consider whether particular payments and awards to our named executive officers are deductible for federal income tax purposes, along with such other factors as may be relevant in the circumstances, in establishing executive compensation programs.

No Gross-up Payments. None of our named executive officers are eligible for gross-up payments to cover excise taxes in connection with a change in control termination event.

Stock Ownership Guidelines. Although we do not have requirements or guidelines specifying amounts of ownership of Nationstar common stock for our named executive officers, we do promote and encourage the aligning of their interests with those of our stockholders by providing them with significant equity awards. Including awards of restricted stock and restricted stock units, the ownership levels of our named executive officers generally meet or exceed the typical ownership guidelines established by the marketplace.

Anti-Hedging / Anti-Pledging Policies. Our Insider Trading Compliance Program prohibits employees and directors from engaging in hedging transactions in Nationstar common stock, margining Nationstar common stock or in general pledging Nationstar common stock as collateral for a loan.

Elements of Compensation

The total compensation of our named executive officers in 2016 consisted of three principal elements:

- base salary;
- non-equity incentive awards (annual cash bonuses); and
- long-term incentive awards.

Determinations regarding any one element affect determinations regarding each other element, with the goal to set overall compensation at an appropriate level to be able to attract and retain top talent. In this regard, the Compensation Committee considers which different compensation elements are at-risk in setting the levels for each other element. For example, the amount of base salary paid to a named executive officer is considered in determining the amount of any cash bonus or equity award. But the relationship among the elements is not strictly formulaic due to the need to evaluate the likelihood that the at-risk components of compensation will actually be paid at any particular level. The overall compensation packages of each of our named executive officers are variable from year to year and are based on their respective experience and individual performance, current market conditions, business trends and overall Company performance.

The combination of non-equity incentive awards (generally annual cash bonuses) and long-term incentive awards seeks to strike the appropriate balance between the near-term focus on Company profitability and individual performance, and the long-term focus to create enhanced stockholder value.

Comparator Group

The Compensation Committee with assistance from Pearl Meyer annually assesses market conditions through a review of compensation from a group of comparator companies (the “Comparator Group”). The Compensation Committee regularly reviews the composition of the Comparator Group. In 2016, the Compensation Committee did not make any changes to the Comparator Group from the previous year, except that Home Away Inc. was removed due to its acquisition by Expedia Inc. The Compensation Committee used findings from the compensation review to assess our named executive officers’ pay position, our overall program design and program leverage relative to peers. The Compensation Committee does not target any particular range of pay relative to pay of the Comparator Group. For 2016, average target total direct compensation (salary, target annual incentives and the most recent long-term incentive award) for the named executive officers was at the 38th percentile of the Comparator Group. The Comparator

Group is comprised of companies similar in size (revenues, assets and market capitalization) as well as industry (financial and real estate services and technology/data processing). The following twenty-one companies were the Comparator Group during 2016:

- Altisource Portfolio Solutions S.A.
- Capital One Financial Corp.
- CIT Group Inc.
- Comerica Inc.
- CoreLogic, Inc.
- Equifax, Inc.
- Equinix, Inc.
- EverBank Financial Corp.
- Expedia Inc.
- Fidelity National Information Services, Inc.
- First Republic Bank
- Huntington Bancshares Inc.
- Ocwen Financial Corp.
- PennyMac Financial Services, Inc.
- PHH Corp.
- Realogy Holdings Corp.
- Redwood Trust, Inc.
- Stonegate Mortgage Corp.
- TripAdvisor, Inc.
- Walter Investment Management Corp.
- Zillow Group, Inc.

Base Salary

Base salaries are set depending on the scope of each named executive officer’s respective responsibilities and what is necessary to recruit and retain skilled executives. Base salaries are reviewed annually in accordance with our named executive officer’s annual performance evaluation and may be modified from time to time in view of our named executive officer’s individual responsibilities, individual and company performance, and experience. Periodic base salary adjustments are intended to reward individual performance and are also intended to ensure that the individual’s base salary, in conjunction with the other compensation elements, remains competitive for the position and responsibilities.

Base salaries are intended to complement the performance-oriented components (non-equity annual incentive and long-term incentive awards) of our compensation program by assuring that our named executive officers will receive an appropriate minimum level of compensation. In general, base salary is the smallest component of the overall compensation package, representing less than 20% of total direct compensation.

In determining base salary for 2016, the Compensation Committee considered our pay-for-performance culture, our philosophy to have low fixed and high performance-based compensation, and the performance of the given named executive officer. The Compensation Committee decided that only Mr. Rawls would receive a base salary increase in 2016. Mr. Rawls’s merit increase reflects the increasing complexity of his role as Executive Vice President, Servicing. The following table sets forth information regarding our named executive officers’ annual base salaries for 2016:

<u>Name</u>	<u>2016 Base Salary</u>	<u>2015 Base Salary</u>	<u>\$ Change</u>	<u>% Change</u>
Jay Bray	\$ 450,000	\$ 450,000	\$ 0	0%
Robert D. Stiles	\$ 400,000	\$ 400,000	\$ 0	0%
Anthony L. Ebers	\$ 450,000	\$ 450,000	\$ 0	0%
Ramesh Lakshminarayanan	\$ 380,000	\$ 380,000	\$ 0	0%
Michael R. Rawls	\$ 400,000	\$ 375,000	\$ 25,000	6.67%

Annual Incentive Bonus Opportunities

In 2016, all of our named executive officers participated in our Executive Management Incentive Plan (“EMIP”). The annual bonus opportunity for each named executive officer under the EMIP is linked to Nationstar’s performance in achieving challenging financial and strategic objectives of the Company. Individual performance and its impact on financial, strategic, business unit or individual objectives may also be considered.

EMIP Overview. The EMIP is entered into pursuant to the provisions of the Company’s Incentive Plan and is an annual bonus program for our executive officers. The EMIP is designed to motivate and reward achievement of the Company’s business goals and to attract and retain highly talented individuals. Generally, bonuses under this plan are intended to qualify as “performance-based” compensation under Section 162(m) of the Code and are paid only to the extent that the performance goals are achieved. Under the EMIP, the Compensation Committee approves the maximum bonus opportunity for each of the named executive officers. The amount

of the annual bonus award actually paid to each named executive officer may, in the Compensation Committee's sole discretion, be reduced to less than the maximum bonus opportunity based on application of any objective or subjective criteria that the Compensation Committee may select at any time prior to payment of the annual bonus awards, including the corporate goals discussed below. The Compensation Committee may adjust awards in a non-uniform manner among the participants.

2016 Initial Performance Goal. For any bonus to be payable to a named executive officer for a particular year, the Company must achieve the initial performance goal specified by the Compensation Committee. For 2016, the Compensation Committee specified that participants could only receive an annual bonus award in the event that either core operating pre-tax income or revenue growth is positive. If the Company does not achieve either positive core operating pre-tax income or positive revenue growth, then no annual bonus is payable. If either positive core operating pre-tax income or revenue growth is achieved, the maximum bonus opportunity for each named executive officer is payable, subject to adjustment by the Compensation Committee. In 2016, core operating pre-tax income was positive resulting in achievement of the initial performance goal under the EMIP. At the time the maximum bonus opportunities were set, the Compensation Committee anticipated that each named executive officer's actual annual bonus award would be lower than the maximum payout permitted under the EMIP upon the achievement of the initial performance goal.

2016 Corporate Goals. If the initial performance goal is met, the Compensation Committee then reviews the achievement of corporate goals by each named executive officer, which were established at the beginning of the year by the Compensation Committee. The Compensation Committee believes that this dual-level performance framework appropriately emphasized Company achievement of positive core operating pretax income or revenue growth, which are important measures of operating and financial performance, while providing the necessary flexibility to focus on the achievement of additional key financial and strategic objectives of the Company. Following year end, the named executive officers are rated on the results for each corporate goal on a scale of one to five. The rating is multiplied by the weight of each corporate goal to obtain a weighted score, with five being the highest possible score. The weighted score is converted into a percentage, which is multiplied by the named executive officer's bonus opportunity (set in terms of a percentage of base salary) and base salary to result in an annual bonus award amount.

For 2016, in developing the corporate goals and their weightings that were recommended to the Compensation Committee, management considered the importance of shared goals for all the named executive officers, and analyzed the relative importance of each goal to the Company's business strategy and the anticipated difficulty of achieving the goals in the aggregate. The 2016 corporate goals included goals related to (1) financial performance, including core operating pre-tax income and adjusted cash flow, and (2) strategic objectives for employee engagement, customer relations and compliance initiatives.

These goals and their weightings were the same for all named executive officers, except that Mr. Ebers' and Mr. Rawls' weightings differed slightly from those of the other named executive officers' because each had an additional goal of core pre-tax income for their respective business units. The Compensation Committee considered and provided input on goals and weightings initially proposed by management, which was incorporated into the final goals and weightings that subsequently were approved by the Compensation Committee.

At the end of 2016, the Compensation Committee reviewed actual performance against the corporate goals and the respective weightings for each goal, for each named executive officer. The achievement of the corporate goals was, on average, 4 on a scale of 1 to 5. The following table shows the 2016 corporate goals, their relative weighting for each named executive officer and levels of achievement:

Corporate Goals

	Financial Targets 50%				Strategic Initiatives 50%

Results	\$605M	\$678M	\$262M	\$930M	Exceeded Target	Achieved Target	Exceeded Target
Rating (1-5):	5	5	5	5	4	3	4

(1) For Employee Engagement, the executive officers were required to establish action plans focusing on work processes, leadership and career development, with a target of establishing action plans and showing demonstrated results in a single focus area as measured by employee pulse survey results. Actual results were that action plans were established and demonstrated results were achieved in multiple areas of focus.

(2) For Customer, (1) 50% weighting was given to reducing our customer complaint rate with a target complaint rate of 0.60 to 0.64 per 1,000 loans serviced (actual results were a complaint rate of .47) and (2) 50% weighting was given to JD Powers Survey results with (a) 25% of the weighting given for improving our annual ratings in our originations and servicing segments with a target of improving our ranking by 2 (actual results were improvement of ranking by 1) and (b) 75% of the weighting for achieving a monthly ratings' goal for our originations and servicing segments with a target of 6 to 7 months (actual results were an average of 6 months).

(3) For Compliance, (1) 50% weighting was given to examination issue resolution with the target of no repeat findings and issue resolution at a 70% or greater validation rate by internal audit (actual results were no repeat findings and 100% validation rate), (2) 30% weighting was given to internal audit ratings with a target of 20 or less new internal audit findings rated at level 1 or 2 (actual result was one new level 2 finding) and (3) 20% weighting to process improvement evaluation with a target of 3 (actual result was a process improvement evaluation of 4).

For purposes of the EMIP financial targets (1) "core operating pre-tax income" is a non-GAAP measure that begins with GAAP pre-tax income and excludes changes in the fair value of our mortgage servicing rights and certain non-recurring expenses, (2) "adjusted cash flow" is a non-GAAP measure that begins with GAAP pre-tax income and makes adjustments for cash and non-cash items, including changes in the fair value of mortgage servicing rights, value of capitalized servicing retained, depreciation and amortization, stock based compensation and cash taxes and (3) "segment core pre-tax income" is a non-GAAP measure that begins with GAAP pre-tax income and excludes non-recurring expenses from our originations and servicing business units, respectively.

Approved EMIP Payouts. Having achieved the Initial Performance Goal, in determining the amount payable to each named executive officer, the Compensation Committee may, in its sole discretion, adjust the amount of any bonus otherwise payable to any participant based on a participant's individual performance or any other objective or subjective factor that the Compensation Committee deems relevant. Following the completion of 2016, our Chief Executive Officer, in consultation with our Initial Stockholder, considered achievement under the 2016 corporate goals, the Company's overall performance and the individual performance of each participant and recommend to the Compensation Committee bonus amounts for each named executive officer. After consideration of the Company's pay-for-performance culture and the Chief Executive Officer's recommendation, the Compensation Committee approved the bonus amounts as recommended. The following table shows for each named executive officer the: (1) maximum bonus amount payable, (2) calculated bonus based on the achievement of the corporate goals and (3) final 2016 bonus amount approved by the Compensation Committee and paid to the named executive officer.

Long-Term Incentive Awards

Incentive Plan. The Incentive Plan enables us to offer certain key employees, consultants and non-employee directors equity- and cash-based awards. It enhances our ability to attract, retain and reward such individuals, while strengthening the mutuality of interests between those individuals and our stockholders. Time-based awards of restricted stock units are granted to retain key talent and establish a common interest of the key executives with our stockholders through stock ownership. Each restricted stock unit is equivalent in value to one share of our common stock and generally vests in installments of 33.3%, 33.3% and 33.4% respectively on each of the first three anniversaries of the awards, provided the participant remains continuously employed with us during that time. In addition, upon death, disability or a change in control of the Company, the unvested restricted stock units will vest. We believe that the time-based vesting requirements provide a strong retention mechanism. The ultimate value of the award, however, depends on the market value of Nationstar common stock on the vesting date, and accordingly time-based equity awards effectively align the interests of the participants with our stockholders. It is expected that time-based equity awards will continue to play a significant part of our compensation programs for named executive officers.

The Board, upon the recommendation of our Compensation Committee, grants equity awards to our executive officers at its regularly-scheduled meeting during the first quarter of each year, which is scheduled more than a year in advance. The grant date of these awards is the first business day of the following month. In February 2016, upon recommendation of the Compensation Committee, the Board approved awards of restricted stock units as follows: Mr. Bray 67,568 units, Mr. Stiles 54,899 units, Mr. Ebers 38,007 units, Mr. Lakshminarayanan 29,561 units and Mr. Rawls 42,230 units. The foregoing awards were granted on March 1, 2016 and vest in installments of 33.3%, 33.3% and 33.4% respectively on each of the first three anniversaries of the grant date of the awards.

Other Compensation Components

All of our named executive officers are eligible to participate in our employee benefit plans, including medical, dental, life insurance and 401(k) plans. These plans are available to all employees and do not discriminate in favor of our named executive officers. While we do not view perquisites as a significant element of our compensation structure, we believe that limited perquisites facilitate the attraction and retention of superior management talent. The value of these benefits to our named executive officers is set forth in the Summary Compensation Table under the column "All Other Compensation." For 2016, these perquisites primarily related to contributions to a named executive officer's 401(k) plan account.

Employment Agreements

We have not entered into employment agreements with our named executive officers. We do enter into offer letters with named executive officers upon their hire or promotion.

Based on this review and discussion, the Compensation Committee recommended to the Board that the "Compensation Discussion and Analysis" be included in the Company's 2017 Proxy Statement and the Company's Annual Report on Form 10-K for the year ended December 31, 2016.

The amounts shown in the table do not include payments and benefits, such as accrued salary and accrued vacation, to the extent that they are provided on a non-discriminatory basis to salaried employees generally upon termination of employment. PROPOSAL 3
ADVISORY VOTE ON EXECUTIVE COMPENSATION

In accordance with Section 14A of the Exchange Act, we are providing stockholders with an opportunity to vote to approve, on an advisory (non-binding) basis, the compensation of the named executive officers as disclosed in this proxy statement in accordance with the rules of the SEC.

The Compensation Committee regularly reviews the compensation programs for our named executive officers to ensure that they achieve the desired goals of aligning the interests of executive management with stockholders, attracting, retaining and motivating high-quality executive officers and creating long-term value. We urge you to read the Compensation Discussion and Analysis section of this proxy statement, which describes how the executive compensation program reflects our compensation philosophy and objectives and the decisions made by the Compensation Committee for 2016 in detail.

We are asking stockholders to indicate their support for the named executive officer compensation described in this proxy statement. This proposal, commonly known as a “say-on-pay” proposal, gives our stockholders the opportunity to express their views on our named executive officers’ compensation. This vote is not intended to address any specific item of compensation, but rather the overall compensation of the named executive officers and the philosophy, policies and practices described in this proxy statement. Accordingly, the Board recommends that stockholders vote in favor of the following resolution:

“RESOLVED, that the stockholders approve, on an advisory basis, the compensation of the Company’s named executive officers, as disclosed in this proxy statement, including the Compensation Discussion and Analysis, the executive compensation tables and the related narrative.”

Because your vote is advisory, it will not be binding upon the Board. However, the Board values stockholders’ opinions, and the Compensation Committee and the Board will take into account the outcome of the vote when considering future executive compensation decisions.

The Board recommends a vote FOR the advisory vote to approve executive compensation.

CERTAIN RELATIONSHIPS AND RELATED-PARTY TRANSACTIONS

Stockholders Agreement

General

On February 17, 2012, we entered into a Stockholders Agreement with the Initial Stockholder. The Stockholders Agreement provides that, for so long as it is in effect, we and the Initial Stockholder shall take all reasonable actions (including voting or causing to be voted all of the securities entitled to vote generally in the election of our directors held of record or beneficially owned by the Initial Stockholder, and, with respect to us, including in the slate of nominees recommended by the Board those individuals designated by the Initial Stockholder) to elect to the Board, and to cause to continue in office, not more than six directors (or such other number as the Initial Stockholder may agree in writing), of whom, at any given time:

- a number of directors equal to a majority of the Board shall be individuals designated by the Initial Stockholder, for so long as the Initial Stockholder, certain other affiliates of Fortress and permitted transferees (collectively, the “Fortress Stockholders”) beneficially own at least 40% of Nationstar common stock, provided that if the Board consists of more than six directors, then the Initial Stockholder shall have the right to designate a number of directors equal to a majority of the Board plus one director;
- at least three directors shall be individuals designated by the Initial Stockholder, for so long as the Fortress Stockholders beneficially own less than 40% but at least 20% of Nationstar common stock, provided that if the Board consists of more than six directors, then the Initial Stockholder shall have the right to designate a number of directors equal to a majority of the Board minus one director;
- at least two directors shall be individuals designated by the Initial Stockholder for so long as the Fortress Stockholders beneficially own less than 20% but at least 10% of Nationstar common stock, provided that if the Board consists of more than six directors, then the Initial Stockholder shall have the right to designate a number of directors (rounded up to the nearest whole number) that would be required to maintain the Initial Stockholder’s proportional representation on the Board; and
- at least one director shall be an individual designated by the Initial Stockholder for so long as the Fortress Stockholders beneficially own less than 10% but at least 5% of Nationstar common stock, provided that if the Board consists of more than six directors, then the Initial Stockholder shall have the right to designate a number of directors (rounded up to the nearest whole number) that would be required to maintain the Initial Stockholder’s proportional representation on the Board.

Since the Initial Stockholder held beneficial ownership of more than 40% of the Nationstar common stock outstanding and entitled to vote as of March 15, 2017, it continues to have the right pursuant to the Stockholder Agreement to designate a majority of the Board. Accordingly, the Initial Stockholder has the right to designate three of the five directors for our Board. As of the date of this proxy statement, the Initial Stockholder had, in fact, designated all of our currently serving directors for our Board, including those standing for re-election at this year’s annual meeting.

Registration Rights

Demand Rights. Under the Stockholders Agreement, the Fortress Stockholders have, for so long as the Fortress Stockholders beneficially own an amount of Nationstar common stock equal to or greater than 1% of Nationstar common stock issued and outstanding immediately after the consummation of the initial public offering (a “Registrable Amount”), “demand” registration rights that allow the Fortress Stockholders, at any time after 180 days following the consummation of the initial public offering, to request that Nationstar register under the Securities Act of 1933, as amended, an amount equal to or greater than a Registrable Amount. The Fortress Stockholders are entitled to unlimited demand registrations so long as such persons, together, beneficially own a Registrable Amount. Nationstar is also not required to effect any demand registration within three months of a “firm commitment” underwritten offering to which the requestor held “piggyback” rights, described below, and which included at least 50% of the shares of common stock requested by the requestor to be included. Nationstar is not obligated to grant a request for a demand registration within three months of any other demand registration.

Piggyback Rights. For so long as the Fortress Stockholders beneficially own an amount of Nationstar common stock equal to or greater than 1% of Nationstar common stock issued and outstanding immediately after the consummation of the initial public offering, such Fortress Stockholders also have “piggyback” registration rights that allow them to include the common stock that they own in any public offering of equity securities initiated by Nationstar (other than those public offerings pursuant to registration statements on Forms S-4 or S-8 or pursuant to an employee benefit plan arrangement) or by any other Nationstar stockholders that have registration rights. The “piggyback” registration rights of the Fortress Stockholders are subject to proportional cutbacks based on the manner of the offering and the identity of the party initiating such offering.

Shelf Registration. Under the Stockholders Agreement, the Initial Stockholder or any of its respective permitted transferees, for so long as it beneficially owns a Registrable Amount, has the right to request a shelf registration on Form S-3 providing for offerings of Nationstar common stock to be made on a continuous basis until all shares covered by such registration have been sold, subject to Nationstar's right to suspend the use of the shelf registration prospectuses for a reasonable period of time (not exceeding 60 days in succession or 90 days in the aggregate in any 12 month period) if Nationstar determines that certain disclosures required by the shelf registration statements would be detrimental to it or its stockholders. In addition, the Initial Stockholder may elect to participate in such shelf registrations within ten days after notice of the registration is given.

Indemnification; Expenses; Lock-ups. Under the Stockholders Agreement, Nationstar has agreed to indemnify the applicable selling stockholder and its officers, directors, employees, managers, members partners, agents and controlling persons against any losses or damages resulting from any untrue statement or omission of material fact in any registration statement or prospectus pursuant to which it sells shares of Nationstar common stock, unless such liability arose from the applicable selling stockholder's misstatement or omission, and the applicable selling stockholder has agreed to indemnify Nationstar against all losses caused by its misstatements or omissions. Nationstar will pay all registration expenses incidental to Nationstar's performance under the Stockholders Agreement, and the applicable selling stockholder will pay its portion of all underwriting discounts, commissions and transfer taxes, if any, relating to the sale of its shares of common stock under the Stockholders Agreement. Nationstar has agreed to enter into, and to cause its officers and directors to enter into, lock-up agreements in connection with any exercise of registration rights by the Fortress Stockholders.

Related-Party Transaction Policy

The Board recognizes the importance of avoiding conflicts of interest between us and our employees, directors and affiliates of our employees and directors, and any person who is the beneficial owner or more than 5% of Nationstar voting securities (each, a "related party"). Our Code of Business Conduct and Ethics requires directors and executive officers, including their affiliates, to avoid any activity, interest or relationship that would create, or might appear to others to create, a conflict of interest with us. Accordingly, our Board has adopted a written policy regarding the approval of any related-party transaction, which is any transaction or series of transactions involving us or any of our consolidated subsidiaries and a related party where the aggregate amount involved will or may be expected to exceed \$120,000. In addition, under our policy, the provision of mortgage origination and mortgage servicing to our directors, executive offices and their immediate family members is not considered a related-party transaction, provided that the transaction is (1) on substantially the same terms for comparable services provided to non-affiliates or (2) pursuant to company policy or programs.

Pursuant to this policy and our related procedures, directors (including director nominees), executive officers and employees are required to report to our legal department any related-party transactions or circumstances that may create or appear to create a conflict between the personal interests of the individual and the interests of the Company. These transactions are then reported to the NCG Committee. The disinterested members of the NCG Committee who do not have material direct or indirect interests evaluates each related-party transaction to determine if the transaction is fair, reasonable and within Company policy and whether it should be ratified and approved. Additionally, the NCG Committee may determine that the Board should approve or ratify any related-party transaction. If the chairman of the NCG Committee determines that it is not practicable or desirable for the Company to wait until the next regularly-scheduled meeting of the NCG Committee, the chairman may approve or ratify related-party transactions and report to the full NCG Committee at its next regularly-scheduled committee meeting any approvals or ratifications made by the chairman. In addition, we also make inquiries of management personnel and, as appropriate, third parties and other resources for purposes of identifying related-party transactions. The NCG Committee considers various factors, including the benefit of the transaction to the Company, the terms of the transaction and whether they are at arm's-length and in the ordinary course of the Company's business, the direct or indirect nature of the related-person's interest in the transaction, the size and expected term of the transaction, and other facts and circumstances that bear on the materiality of the related-party transaction under applicable law and listing standards.

Related-Party Transactions

The Initial Stockholder is owned or controlled by certain private equity funds directly or indirectly managed or controlled by Fortress. Also, as noted above, Mr. Edens, our former Chairman of the Board, is the Co-Chairman of the board of directors of Fortress and also may be deemed to have an indirect financial interest in certain entities affiliated with Fortress. Below is a description of transactions since the beginning of our last fiscal year in which we and a related party were participants and the amount involved exceeds \$120,000.

New Residential Investment Corp.

Excess Spread Financing

We have entered into several agreements with certain entities formed by New Residential Investment Corp. (“New Residential”), in which New Residential and/or certain funds managed by Fortress own an interest (each a “New Residential Entity”), where we sold to the related New Residential Entity the right to receive a portion of the excess cash flow generated from certain acquired mortgaging servicing rights (“MSRs”) after receipt of a fixed basic servicing fee per loan. The manager of New Residential and Fortress are affiliates of Nationstar. We retain all ancillary revenues associated with servicing such MSRs and the remaining portion of the excess cash flow after receipt of the fixed basic servicing fee. We are the servicer of the loans and provide all servicing and advancing functions for the portfolio. The related New Residential Entity does not have prior or ongoing obligations associated with these MSR portfolios. Furthermore, should we refinance any loan in such portfolios, subject to certain limitations, we will be required to transfer the new loan or a replacement loan of similar economic characteristics into the portfolios. The new or replacement loan will be governed by the same terms set forth in the governing agreement related to that particular portfolio. The fair value of the outstanding liability related to these agreements was approximately \$1 billion on December 31, 2016. For the year ended December 31, 2016, we paid fees to the New Residential Entities totaling \$290 million.

Servicing Agreements

Nationstar has entered into servicing arrangements with New Residential whereby Nationstar is servicer for residential mortgage loans that New Residential and/or its various affiliates and trust entities acquire. Additionally, in the ordinary course of business, Nationstar is servicer or master servicer for the termination of securitization trusts that New Residential collapses pursuant to clean up call rights owned by New Residential. The terms and fees of the servicing and master servicing arrangements generally conform to industry standards for stand-alone residential mortgage loan servicing and master servicing. For the year ended December 31, 2016, we recognized revenue of approximately \$6 million related to these servicing and master servicing arrangements.

Newcastle Investment Corp.

We are the loan servicer for several securitized loan portfolios managed by Newcastle Investment Corp., which is managed by an affiliate of Fortress. We receive a monthly net servicing fee equal to 0.5% per annum on the unpaid principal balance of the portfolios, which, as of December 31, 2016, was \$576 million. For the year ended December 31, 2016, we received servicing and other performance fees of approximately \$3 million.

OneMain Holdings, Inc.

We subservice certain loan portfolios managed by OneMain Holdings, Inc., which is managed by an affiliate of Fortress. We receive a monthly per loan subservicing fee and other performance incentive fees. For the year ended December 31, 2016, we received subservicing and other performance fees of approximately \$1 million.

ADDITIONAL INFORMATION

We file annual, quarterly and current reports, proxy statements and other information with the SEC at 100 F Street, N.E., Washington, D.C. 20549. These filings are available to the public to read and copy at the SEC’s public reference rooms. These filings are also available to the public from commercial document retrieval services and on the website maintained by the SEC at www.sec.gov. Such information will also be furnished upon written request to Nationstar Mortgage Holdings Inc., at 8950 Cypress

Waters Boulevard, Coppell, Texas 75019, Attention: Corporate Secretary, and can also be accessed through our website. We will furnish without charge to each person whose proxy is being solicited, upon oral or written request of any such person, a copy of our Annual Report on Form 10-K for the year ended December 31, 2016, as filed with the SEC, excluding the exhibits, by first class mail or other equally prompt means within one business day of receipt of such request. Request for copies of such report should be directed to our Corporate Secretary at the above address or at 469-549-2000.

The SEC has adopted rules that permit companies and intermediaries such as brokers to satisfy delivery requirements for proxy materials with respect to two or more stockholders sharing the same address. This process which is commonly referred to as “householding,” potentially provides extra convenience for stockholders and cost savings for companies. We and some brokers household proxy materials, delivering a single copy of the proxy materials to multiple stockholders sharing an address unless contrary instructions have been received from the affected stockholders. Stockholders who participate in householding will continue to receive separate proxy or voting instruction cards.

Once a stockholder receives notice from his or her broker or us that they will be householding materials to his or her address, householding will continue until the stockholder revokes the consent. If you are not eligible for householding, but you and other stockholders of record with whom you share an address currently receive multiple copies of the proxy materials, or if you hold stock in more than one account, and in either case you wish to receive only a single copy of each of these documents for your household, please send your request to Nationstar Mortgage Holdings Inc. at 8950 Cypress Waters Boulevard, Coppell, Texas 75019, Attention: Corporate Secretary. You may also make written or oral requests by contacting us at this address or calling 469-549-2000 if you participate in householding and wish to receive a separate copy of these documents (in which case we will promptly deliver a separate copy to you), or if, at any time, you no longer wish to participate in householding. You should notify your broker if the shares are held in a brokerage account or us if you hold registered shares. We can be notified by sending a written request to the above address.
